BA in Elementary Education

Math and Science Emphasis, '17

GPA 3.7

EXPERIENCE

Software Engineering Immersive

June 2019 - Present

General Assembly, Boston, MA

Built four projects in a variety of software technologies including React and Ruby. Collaborated with fellow developers on full-stack project using Agile methodologies. Created full-stack applications with responsive design, authentication, and related resources.

→ FEATURED PROJECTS

Explore Eastie: Designed and built a full-stack web application using React and Rails for sharing and finding great spots in the East Boston neighborhood with an interactive map for each place.

Camper Roster: Built a full-stack web application to track data on summer camp enrollments using a Rails API back-end. Created the front-end to make requests to the server and render results using Handlebars.

Volunteer Coordinator

Aug 2017 - June 2019

Boston Center for Pregnancy Choices, Boston, MA

Planned a 5K/10K/Kids 1K fundraising event, educated volunteers to run and maintain various programs, and delegated volunteers for event planning, mailings, etc.

Office Administrator

Dec 2018 - May 2019

IDP Connect, Boston, MA

Tabulated universities' data, offered customized help to clients about our insights tool and liaised between the US office and the HR, accounting, and insurance providers

Teacher

1 Yr 5 Mos, 2017 - 2018

Equinox Kids, Boston, MA + La France Elem., Pendleton, SC

Led interactive activities for a preschool class, and used collaborative learning strategies for a 5th-grade class, while collaborating with the team to meet students' diverse needs

Shift Lead

Sept 2013 - Dec 2016

Aramark - Starbucks, Clemson, SC

Trained and supervised baristas to make drinks, clean the cafe, and create an efficient workflow

Assistant Camp Director

May 2014 - July 2014

Forest Hill Church, Charlotte, NC

Collaborated with Camp Program Director regarding all camp activities; organized materials and counselors for themed games, signs, and equipment for 150+ campers
