Handlebars

Organization

Leadership

EDUCATION

CLEMSON UNIVERSITY, Clemson, SC

BA in Elementary Education

Math and Science Emphasis, '17

GPA 3.7

PROJECTS

Camper Roster: Built a full-stack web application to track data on summer camp enrollments using a Rails API back-end. Created the front-end to make requests to the server and render results using Handlebars.

Tic Tac Toe: Designed front-end web application using JavaScript and jQuery for the game engine. Interacted with API to make updates to games and track user authentication and progress.

EXPERIENCE

Software Engineering Immersive

June 2019 - Present

General Assembly, Boston, MA

- Developed skills and completed projects in a variety of software technologies including JavaScript and Ruby
- Collaborated with fellow developers on full-stack projects
